

# Teaching Creative Thinking for Life-Long Learning

We are a private Montessori preschool committed to providing an enriching, academically challenging educational environment. We strive to create an environment that inspires children to develop inner discipline, self-assurance, and a love for learning.

Maria Montessori was a physician in Italy in the late 1800's who established the Montessori Method of education. It is now the oldest form of education still being practiced today. Her method is based on what she observed children to do "naturally" by themselves unassisted by adults.

The teachers of Smithville Montessori Academy provide each child the guidance he/she needs to reach personal success by implementing individual and small group lessons. Each student is given the freedom to move at his/her own pace while being challenged with new and exciting lessons on a regular basis. All lead teachers are required to hold a Montessori certification from an accredited training program.

Although academics are very important, fostering the growth of the "whole child" is our complete mission. Our classrooms are carefully prepared to allow the child to develop to his/her fullest potential socially, emotionally, and physically. In a Montessori classroom a young child can learn independently or cooperatively while enjoying the freedom of movement and choice.

This information packet contains your application for enrollment, a required medical examination report, our rate sheet, your child's specialized diet plan (for infants, toddlers, and pre-primary students), and a brochure that provides more in-depth information on Montessori education.

We are happy to schedule a time to lead you through a tour of our facility and encourage you to do so during the children's work day as you will be able to see an active, engaged classroom. A daily schedule is enclosed so that you can plan accordingly. If you have further questions or would like to schedule a tour, please call us at (816)-532-4905.

Thank you for your interest in our school and for demonstrating an interest in laying a solid foundation for your child's future!

Hours of Operation: 7:00 am - 6:00 pm

#### General

7:00 am – 8:30 am	Before School Activities
8:30 am -9:00 am	Morning Greeting (Circle)
9:00 am - 11:00 am	Morning Work Cycle
11:00 am - 12:30	Lunch/Recess (time varies slightly depending on
pm	classroom)
12:30 pm - 2:30 pm	Rest Time (time varies slightly depending on
	classroom)
2:30 pm - 3:30 pm	Afternoon Work Cycle
	End of School Day
3:30 pm - 6:00 pm	After School Activities

## Infants/Toddlers/Preprimary

- Infants: Meals/Snacks/Bottle-Feeding/Naps is dependent on the child's unique schedule. Infants participate in "tummy-time" and are actively engaged by the teacher on the floor based on each child's unique schedule.
- Toddlers/Preprimary: Meals/Snacks/Naps follow a schedule as all children participate in these activities
  collectively. Teachers engage children in smaller work cycles that are separated by time spent outside
  (weather permitting) or indoor activities that promote the development of gross motor skills.

#### **Summer 2018 Tuition Rates**

Tuition is due Monday on the week. Any payments received after Monday are subject to a late fee.

#### **Full Time Program**
